

PASS-CR Scholarship Application Process

Eligibility

- Check your eligibility with the relevant contact at USP and FNU
- Contact details are available on the USP and FNU websites
- See the Scholarship Q&A session replays and FAQ on the PASS-CR website

Research Topic

- Watch the ACIAR Project Showcase replay on the PASS-CR website for details of research topics and supervisors
- Identify a research topic from approved list
- Contact the USP/FNU Supervisor and ACIAR Co-Supervisor to discuss the topic

Research Proposal

- Watch the Research Intent Development training on the PASS-CR website
- Use the research intent form to develop your proposal in consultation with Supervisors
- Seek approval from Supervisors to research proposal and ensure they sign your research intent form

Application Form

- Complete the application form and attach required documents in the order provided (see FAQ's on the USP and FNU websites)
- Submit your application and good luck!
